

Something new for summer! NEW BiFolkal Kits with DVD's & CD's, for free?

Don't forget the next
SEK Activity Directors'
meeting - Sept. 5 at
10 am - Chanute SRS
(1500 W. 7th). RSVP to
JoAnne or Debbie at
Golden Heights at

Yes, eight of the BiFolkal Kits are now available in DVD & CD versions! You no longer need to use a slide projector or VHS and cassette tapes (but these options will still be available for those who want them). The DVD/CD kits can be checked out separately, or in addition to the Full BiFolkal Kits. The DVD/CD kits include a binder, instructions on how to use the new formats, a special guide explaining the DVD program, and one copy of the song/program booklet. (If you want to have multiple copies of the booklets available to use with residents, I recommended checking out the full kits and the DVD/CD kit for that program. However, if an abbreviated program is what you're looking for, the DVD/CD kit may be all you want to check out.) Either way, please be sure to specify your preference when you order kits through interlibrary loan at your local library. BiFolkal Kits are available for checkout, to any person or institution, for FREE! Items can be checked out for 3 weeks at a time.

Please RSVP

**The kits available in new DVD/CD formats are:
SPRING; THE 1950'S; THE HOME FRONT; THE
FASHION; BIRTHDAYS; MUSIC; PETS; & HOME**

Items will be loaned free to individuals or to institutions. Except for Talking Books, all items are to be ordered at the local library (via interlibrary loan), picked up, and returned to same. SEK Library System is not responsible for any accident or injury resulting from the use or misuse of any piece of equipment listed in this or in any of its activities collections.

Do your residents qualify for free Talking Books?

Anyone who is unable to read standard size print, due to a visual or physical impairment, is eligible for the free Talking Books program. For example, someone who is unable to turn the pages of a book due to muscle weakness or a physical disability could qualify for the Talking Books program. People who are blind or have visual impairments such as macular degeneration or diabetic retinopathy would also qualify.

If some of your residents are eligible for this free service, please contact Jaime at 800.279.3219 or the Wichita Talking Books library at 800.362.2869.

Maternity Leave!

My husband & I are expecting a baby! Once the baby arrives in late June or early July, I plan to be on maternity leave for about two months. During that time, if you need assistance with Talking Books, please call the Wichita Subregional Talking Books Library at 1-800-362-2869.

If you want to order items from the Special Needs Collection (like BiFolkal Kits or Rec Therapy Items), you can continue to do so as usual through Interlibrary Loan from SEKLS at your local library.
