

Drop-in Tech Days

Tuesday, March 15, 2011
Repeated: July and December

9:00 am–12:30 pm

July and December tech days are planned to cover other computer skills and may be in other locations. We are trying to find ways to train many people on a lot of skills. If this works, we may expand the program.

Chanute Kansas

Alliance Room,

Memorial Building

101 S. Lincoln

Please register at:

www.sekls.lib.ks.us/workshops/

Or contact: Kim Rutter
(krutter@sekls.org) or Betty Lucas
(blucas@sekls.org)
(620) 365-5136 or (800) 279-3219

2 Continuing Education Credits possible if you complete all skills offered

Learn a bunch of computer skills quickly. Staff will be at stations for you to rotate through and learn a skill in 20 minutes. We demo, you practice, then move on to the next quick skill. If you need to try again, you can rotate back to earlier stations.

Stations will be set up all morning so you can start as early as 9:00 am or as late as 11:00 am. Space will be limited to no more than 3 per station at each session so everyone can practice. If you think you'll need more practice, come earlier to rotate back again.

Call Kim at 620-365-5136 with questions.

TOPICS:

- Downloading ebooks
- Google Calendar
- LibraryThing
- Klow demo & features
- Flickr and Photobucket
